

asc/B - 7849

8 August 1957

MEMORANDUM FOR:

FROM: Mr. Warner

Will you please look up the Invention Secrecy Act -
without doing a formal memo or study - to determine why we
were not originally named in there. Is there any desirable
reason for not having us named for certifying as to security?

35 USC 181-188 66 stat 805
19/7/52 C. 950

John S. Warner
